Assessment Details

1. Profession Readiness Test

Situational Judgement Test with motivation and adaptability measures and self-assessment using the Interim Report. Complete online from the link given in Moodle before the orientation session

2. Interim Report

The Supervising Teacher (ST) will assess you using the [PE2 interim report](#) before the university liaison visit.

The UNSW liaison will moderate this process through a school visit in Week 5, including a classroom observation of a substantive lesson (teaching concepts), post-lesson conference and evaluation of at [least ten lesson feedback and reflection](#) forms that have been completed by you. **The organisation of the lesson feedback and reflection forms is entirely your responsibility and not that of your supervising teacher.**

The liaison will mediate any moderation discussions using benchmark examples from [the NSW CDE mentoring website](#) to ensure inter-rater reliability between schools. The UNSW liaison's signature on [the PE2 interim report](#) signals their agreement with the assessment made by the supervising teacher.

You and the ST sign [the PE2 interim report](#) and you submit this on Moodle in the assessment submission portal as close as possible to the end of week 5. The course convenor understands that at times your liaison visit may occur early in week 6 and delay the submission.
