- A specialisation in [Integrated Design](#) enables students to pursue a teaching area in either Visual Arts Only or both Visual Arts and Graphics & Multimedia Technology.

Students complete the Design component (96uoc) and the Education component (96uoc).

The courses that the student completes as part of their studio sequences, in the Design component, will form the 'subject content' for their chosen teaching area(s). For this reason, students must choose specific combinations of studio sequences to meet NESA accreditation requirements.

Please refer to the table on page 3 for information on the appropriate studio sequences for your chosen teaching area(s).

It's very important to refer to the [2024 Online Handbook](#)

- [EDST2002 Professional Engagement](#)
- [EDST6760 Professional Experience 1](#)
- [EDST6765 Professional Experience 2/ Internship*](#)

All other terms are not open to students and are there for administrative purposes and extenuating circumstances.

*Note: You cannot be enrolled concurrently in EDST6765 with another course.
