## Part 2 Meaningful Participation Assessment Checklist

This checklist is designed to assist in determining what level of meaningful participation is happening or could be viable for refugee women in specific sites.

### Gender-based barriers and solutions to achieving meaningful participation

<b>Places where women and girls would like to participate in decision-making</b>	<b>Barriers to this happening, Why can't women and girls participate fully</b>	<b>What would meaningful participation look like?</b>	<b>What can be done to make this happen?</b>
