

Never Stop Learning

Business School

Terminology	Definition
Program compulsory core courses	Courses which students must complete under their enrolled degree e.g. Bachelor of Economics 3543
Economics Major	Students must complete at least one major in Economics, Econometrics or Financial Economics consisting of 60UOC. The 60UOC includes 36UOC from the compulsory first and second year core courses. (ACCT1501 and ECON1401 do not count towards an Economics major.) Students must complete at least three (3) level 3 courses (numbered 3XXX).
Economics Elective	Account for 12UOC (2 courses) from

Please refer to the 2016 Online Handbook for the program and major rules:
<http://www.handbook.unsw.edu.au/undergraduate/programs/2016/3543.html>

Students must complete at least one major in Economics, Econometrics or Financial Economics.

Overlapping requirements: If you choose to do two Economics majors that have overlapping compulsory core courses, you do not need to complete them twice. However, if the two Economics majors have overlapping compulsory major specific courses, then you should only count the major specific course towards one Economics major and choose to do a major elective course of the same level in the other Economics major. Please consult the Business School Student Centre if you have any further questions.

Visit the website below to view the list of professional recognition requirements:

<http://www.handbook.unsw.edu.au/faculties/2016/comm/ProfRecognitionUG.html> . As professional accreditation requirements do change from time to time, you are advised to contact the individual organisation concerned for current requirements.
