

## GOVERNANCE APPROVAL TIMELINES

### FOR 2026 OFFERINGS (SS @ 12 SEPTEMBER 2024)

This timeline is provided to guide staff involved in the development and approval of proposals for new, discontinued, and substantially revised\* offerings for delivery in 2026.

The table below includes the dates of key university level committee meetings. A full calendar of university level committee dates is included below the table. Proposal proponents also need to factor in the timelines for the preceding Faculty level committees as these vary. Committees may require additional information or refer proposals back to subordinate committees for resolution of issues which may delay progress of a proposal. Following final approval of new programs, additional time
