13. Plagiarism & Academic Integrity	
<p>What is plagiarism?</p> <p>Plagiarism is presenting someone else's work as your own without having appropriate academic referencing to deliberate cheating.</p> <p>UNSW groups plagiarism into the following categories:</p> <ul style="list-style-type: none"> <li>x Copying: using the same or very similar words to the original text or idea without acknowledging the source or using quotation marks. This also applies to images, art and design projects, as well as</li> <li>x Inappropriate paraphrasing: changing a few words and phrases while mostly retaining the original structure and information without acknowledgement. This also applies in presentations where someone paraphrases together.</li> <li>x Collusion: includes providing your work to another student before the due date, or for the purpose of them plagiarising at any time, paying another person to perform an academic task, stealing or acquiring another person's work for completing academic work.</li> <li>x Duplication: submitting your own work, in whole or in part, where it has previously been prepared or submitted for another assessment or course at UNSW or another university.</li> </ul> <p>Where can I find out more information?</p> <p>In many cases plagiarism is the result of inexperience about academic conventions. The University has resources and information to assist you to avoid plagiarism. The first place you can look is the section about referencing and plagiarism in each Course Guide, as this will also include information specific to the discipline the course is from. There are also other sources of assistance at UNSW:</p> <ul style="list-style-type: none"> <li>x How can the Learning Centre help me? The Learning Centre assists students with understanding academic integrity and how to not plagiarise. Information is available on their website: <a href="https://my.unsw.edu.au/student/atoz/Plagiarism.html">https://my.unsw.edu.au/student/atoz/Plagiarism.html</a>. They also hold workshops and can help students one-on-one.</li> <li>x How can Elise help me?
