2.3 Course learning outcomes (CLO)

At the successful completion of this course the student should be able to:

- 1. Demonstrate knowledge and understanding of major transdisciplinary concepts, theories, research findings, and trends in the field of drug addiction.
- 2. Demonstrate a knowledge of and ability to evaluate psychological research methods used in the field of drug addiction and interpret numerical data in relation to theoretical issues.
- 3. Demonstrate and apply critical thinking skills in order to use empirical evidence from psychological science to understand physiological, behavioural, cognitive, and social factors involved in drug addiction.
- 4. Demonstrate effective written communication skills for the purpose of informing and arguing.

3. Strategies and approaches to learning

3.1 Learning and teaching activities

Lectures: the lecture content of this course is presented entirely online via the <u>Moodle</u> eLearning website. The format of the lectures involves PowerPoint slides with accompanying audio. In addition,

5. Assessment

5.1 Assessment tasks

All assessments in this course have been designed and implemented in accordance with UNSW Assessment Policy.

with the exception of SRL 4 (multiple-choice questions) whereby instructions are released Monday in Week 6 and must be completed by Sunday of Week 9. Each SRL activity is worth 2%, so students may earn a total of 10% of their final grade by completing them by the due dates (see above table). Note, due to the participatory nature of the SRL

UNSW Equity, Diversity and Inclusion policy

8. Administrative matters

The <u>School of Psychology Student Guide</u> contains School policies and procedures relevant for all students enrolled in undergraduate or Masters psychology courses, such as:

Attendance requirements

Assignment submissions and returns

Assessments

Special consideration

Student code of conduct

Student complaints and grievances

Equitable Learning Services

Health and safety

It is expected that students familiarise themselves with the information contained in this guide.

9. Additional support for students

The Current Students Gateway:
