

Bachelor of Arts/Education (Secondary) 4053

Term 1 2025 Commencing Students

The Bachelor of Arts/Education is a four-year program for students intending to become secondary school teachers in one or two of the available teaching areas.

Students complete the Arts (96uoc) and the Education component (96uoc).

The courses the student completes as part of their Major and Minor in the Arts, will form the 'subject content' for their chosen teaching area(s).

It's very important to refer to the [2025 Handbook](#) for your program and stream requirements, plus any additional notes on accreditation.

The sample programs on the following pages show you some examples of how you might plan your enrolment. These should be adapted based on the availability and prerequisites of courses for your chosen Major and Minor. Please refer to the following options to meet program requirements:
